*AUCTION
Guide*

Hosted by

*MANUEL QUESADA
& MICHAEL HERKLOTS*

This auction, as part of our Social Responsibility Program, will benefit the Voluntariado Jesús con los Niños, the Sociedad San Vicente de Paul and the charitable initiative “A Home for my Family”, among other Non-Profit Organizations that are oriented to improve the quality of life of people in need.

The Voluntariado Jesús con los Niños is a non-profit organization founded on January 27th, 1997 by a group of women in the city of Santiago with the purpose of uniting efforts to help the Dr. Arturo Grullón Children's Hospital.

This team of women find great importance in sharing directly in the hospital with the children and families as a way of alleviating the burden by having a message of love that brings them together.

This organization offers aid programs such as: Children's Burn Unit, Children's Oncology Unit, Nutrition Aid and Protein Bank Program, Service Volunteer Program, and Foreign Institution Exchange Program.

SOCIEDAD SAN VICENTE DE PAÚL, INC.

The Sociedad San Vicente de Paúl, Inc. is a nonprofit institution founded in 1923 to shelter, with love and respect, the vulnerable and destitute elderly of the community of Santiago and its surroundings, as well as to promote a culture of solidarity and respect for the aging.

In its Hospicio, the Sociedad San Vicente de Paúl, Inc. is committed to helping the elders who suffer due to poverty and loneliness, by offering them a home where they are provided an integral care that guarantees them a better quality of life and a worthy and dignified existence. The Hospicio is directed by the congregation of Hermanas Dominicas de la Presentación de la Santísima Virgen and has 76 elders, both male and female.

CHARITABLE INITIATIVE *by Procigar*

Help give back to those whose labor brings us all together and allows us to celebrate the cigars and the culture behind them which we love so dearly. Our initiative, A Home For My Family, aims to help our most disadvantaged yet deserving artisans and laborers by providing stability and a sense of well being in the best way possible, by building them a home.

Winners will be selected through a criteria based on merit, need, and years worked at their respective factories and, with the help of people like you, we will provide them with the invaluable security of a sturdy new home for them and their families.

Lot 1 *Arnold André for Procigar Festival 2025 – Designed By Marc André* by Arnold André

This exclusive humidor cabinet from Arnold André is a true masterpiece. Designed by Marc André, one of the leading experts in humidor construction and realized with the highest precision by Arnold André.

This one-of-a-kind creation was specially made for the ProCigar Festival 2025. It combines sophisticated design with state-of-the-art technology and is much more than just a place to store cigars. With a capacity of up to 2,000 cigars, the cabinet provides ideal conditions for aging and storage, thanks to height-adjustable cedar shelves and an innovative ventilation system.

Its centerpiece is the climate control system: an advanced, fully electronic humidification system, developed by Marc André, a renowned expert in humidor technology. This ensures a consistent and even humidity level across all compartments. The integrated interval air circulation function regularly circulates the air to maintain optimal climate conditions. Crafted from premium materials, including a three-layer wood core with veneered surfaces and a glass door, the humidor exudes timeless elegance.

The combination of humidor construction expertise and Arnold André's artisanal craftsmanship makes it a symbol of quality and passion. This humidor is not just a functional piece of furniture, it is also a statement of style and exclusivity—an investment that will captivate collectors and cigar enthusiasts alike.

Lot 11 *Palma Dorada Alma Dorada*

by Tabacalera Palma

A New Emblem, A New Home, A Legacy Reborn. "Alma" symbolizes the essence, spirit, or heart of something, often representing depth, passion, and identity. "Dorada" refers to the precious and revered nature of gold, symbolizing luxury, rarity, and excellence. Together, "Alma Dorada" means something that embodies both inherent value and a deep, timeless beauty. Tabacalera Palma enters a new era, marked by a new emblem and a new home, a state-of-the-art factory that symbolizes our commitment to innovation and excellence.

To celebrate this transformation, we have created a humidor that reflects the legacy of Tabacalera Palma, representing the soul and spirit of craftsmanship, with a 24k gold emblem that symbolizes its unique prestige. Handcrafted by renowned Dominican artist Henry Crisóstomo, a master wood craftsman since 1991, this humidor is not just a storage object but a symbol of the rebirth of Tabacalera Palma and the passion with which we create each cigar.

Inspired by the new Tabacalera Palma emblem, seamlessly integrated into the design, designed by Henry Crisostomo, Dominican master artisan since 1991. A tribute to our new home, reflecting our evolution as a company. Premium Brazilian cedar construction, ensuring the ideal environment for aging and preservation, with a magnetized opening system, effortlessly lifting from the emblem's center, 24k gold emblem, symbolizing the new era of Tabacalera Palma, equipped with two high-precision humidity regulators, ensuring a stable 70%-72% RH, hand-finished craftsmanship, merging heritage with modern sophistication, dedicated compartments for accessories, designed for the refined aficionado, with a capacity to hold up to 120 cigars. (Dimensions: Height: 24.5 in | Width: 16.5 in | Length: 19 in | Weight: 35.5 lbs). More than a humidor, this is a celebration of our evolution – a connection between the past, present and the exciting future ahead.

Lot 12 *The Great Hope Humidor* by General Cigar Dominicana

Held during the depths of the Great Depression, the 1933 World's Fair in Chicago was a symbol of hope, resilience, and above all, progress. General Cigar was there to see it all, with a pavilion that stood alongside countless innovations that would shape the future of our world. That very pavilion is what inspired the design of this ultra-limited humidor, crafted meticulously with the most advanced technology to pay homage to both the '33 Fair and our legacy at General Cigar in its search of hope in a world full of frustration and loneliness.

Inside, you'll find one of the most acclaimed cigars in our portfolio: the incomparable Partagas 150. First created in 1995 to celebrate Partagas 150th birthday with a limited number of boxes, it is manufactured once more just for this special occasion. It features a blend of Piloto Cubano and Mexican San Andres tobaccos, cloaked in a 2002 Cameroon wrapper, aged carefully and slowly in Spanish cedar for a special release such as this one. Here with you have a gift from our past for you to enjoy now and in the future. We assure you that with every puff you'll be carried back to a simpler, happier time, forgetting about all your worries. The humidor also comes with a branded ashtray, cutter and lighter.
